

**Partners in Education (Presently - All About Partners in Education) - Provider Record of Effectiveness (Data from 2008-09 school year)**

**Information from University of Memphis, Center for Research in Educational Policy**

Outcome: Based On Responses from 2 admin; 91 teachers; 34 Parents	Insufficient Information	Below Standards	Marginal Quality	Acceptable	Above Standards
Student Achievement	Reading and Math			Provider is adequately communicating with key stakeholders.	
Communication				Provider made attempts to plan instruction to meet the individual needs or reinforce regular academic program for the majority of the students.	
Instructional Plans				Most provider services are aligned with local and state standards.	
Local and State Standards					
Special Ed and ELL Students					Provider offered accommodations to special education or ELL students as needed.
Overall Stakeholder Perception					Satisfaction with provider overall.
<b>Results of 2009-2010 Monitoring Visit: No findings</b>
